

France (ANR) ANR Eligibility Requirements for T-AP applicants based in France

Note: This addendum to the Trans-Atlantic Platform Recovery, Renewal and Resilience in a Post-Pandemic World (T-AP RRR) Call for Proposals contains funding agency-specific information for candidates applying for French funding. Please see the [Trans-Atlantic Platform website](#) for links to the main Call for Proposals.

Participant:

This call is supported by ANR (Agence Nationale de la Recherche)

Notice: Depending on all conditions of eligibility and peer review being met, the budget earmarked by the participating funding agency ANR for this call will be up to 1 200 000 Euros. Up to 300 000 € can be requested per project.

Please consult the programme's webpage on the ANR website at <http://www.agence-nationale-recherche.fr>, in particular the conditions for the participation of French applicants to the Call T-AP RRR (« **Modalités de participation pour les partenaires sollicitant une aide de l'ANR** ») to make sure to comply with all ANR requirements.

French Partners must submit the proposal describing the project on the ANR website and fill in the requested administrative and financial information.

In addition for France, the following eligibility and national funding modalities apply:

- **Who can apply?**

Researchers based at organizations eligible to ANR funding under the provisions of the ANR's Règlement financier (See : <http://www.agence-nationale-recherche.fr/RF>).

- **What are eligible costs for French researchers?**

All costs (i.e. eligible personnel costs, subcontracting costs, etc.) must be eligible according to the ANR Financial regulations document, cf. <https://anr.fr/fileadmin/aap/2019/ANR-RF-2019-1.pdf>

Eligible personnel costs: for French public research organizations, this may for example include Post-docs, PhD students, research assistants, technical staff, etc.

Subcontracting costs are allowed under the provisions of the ANR Financial regulations (maximum 50% of the granted amount per Partner).

Potentially eligible costs include direct costs such as equipment, travel and meeting costs, consumables, dissemination and knowledge transfer costs as well as overheads.
